2017 Wallwood Winter Camp

Dear Leaders,

Thank you for considering Wallwood Winter Camp as part of your scouting program. We have strived to assemble a quality program of new and unique merit badge offerings, many of which are not found at other camps. We hope you will join us. We can't always promise it but if you have a single scout & adult wanting to attend sometimes arrangements can be made to temporally merge with other troops attending. Any questions can be answered by contacting the Council Service Center at 850-576-4146 or visit us online at www.suwanneeriver.net. Thanks again for considering our program.

Check-in Procedure

Your troop should plan to arrive at camp between 2:00 and 4:00 pm on December 27. No one will be allowed into camp prior to 2:00 pm. When you arrive at camp, all vehicles should park in the main parking lot. The Scoutmaster or his/her designees and the Senior Patrol Leader should then go to the Administration Building to begin the check-in process. At check-in be prepared to:

Present a final troop roster of all boys and adults in attendance with the troop. Also, be prepared to make any necessary merit badge changes. Please bring no more than 2 people to check in. Campsites will be shared between units and assigned at check-in on a first-come first-served basis.

From the Administration Building proceed to the Health Lodge to turn in all health forms and medication. Remember **EVERYBODY MUST HAVE A CURRENT AND SIGNED MEDICAL FORM.**

After visiting the Administration Building and the Health Lodge you will be permitted to drive into camp to unload all gear. No scouts may be transported. The Ranger will take a survey of your campsite to identify any damages present at your check-in.

You are then free until evening flags, which is at 5:50 pm followed by dinner.

Facilities

Screened 8-bunk cabins are available for scouts and leaders to use as space permits. Each cabin will be either all youth or all adult to follow safe scouting policies. No heaters are allowed in the cabins however you may cover the windows with plastic to stop the wind and preserve heat.

Check-Out Procedure

Check-out will begin following breakfast at the dining hall. **If your troop needs an earlier check-out time please let us know by noon Friday**

You will need to send a representative from your troop by the Health Lodge to collect your medical forms and any medication.

The Camp Ranger or other staff member will then come by your campsite to inspect for any damages. If any are noted it can be settled at the Administration Building.

You will then be allowed to drive into camp to collect all gear and pick up your patches and advancement records from the Administration Building. Please take the time to look over your records and ask any and all questions you may have. It will be much more difficult to answer questions regarding advancements after camp.

Health Lodge

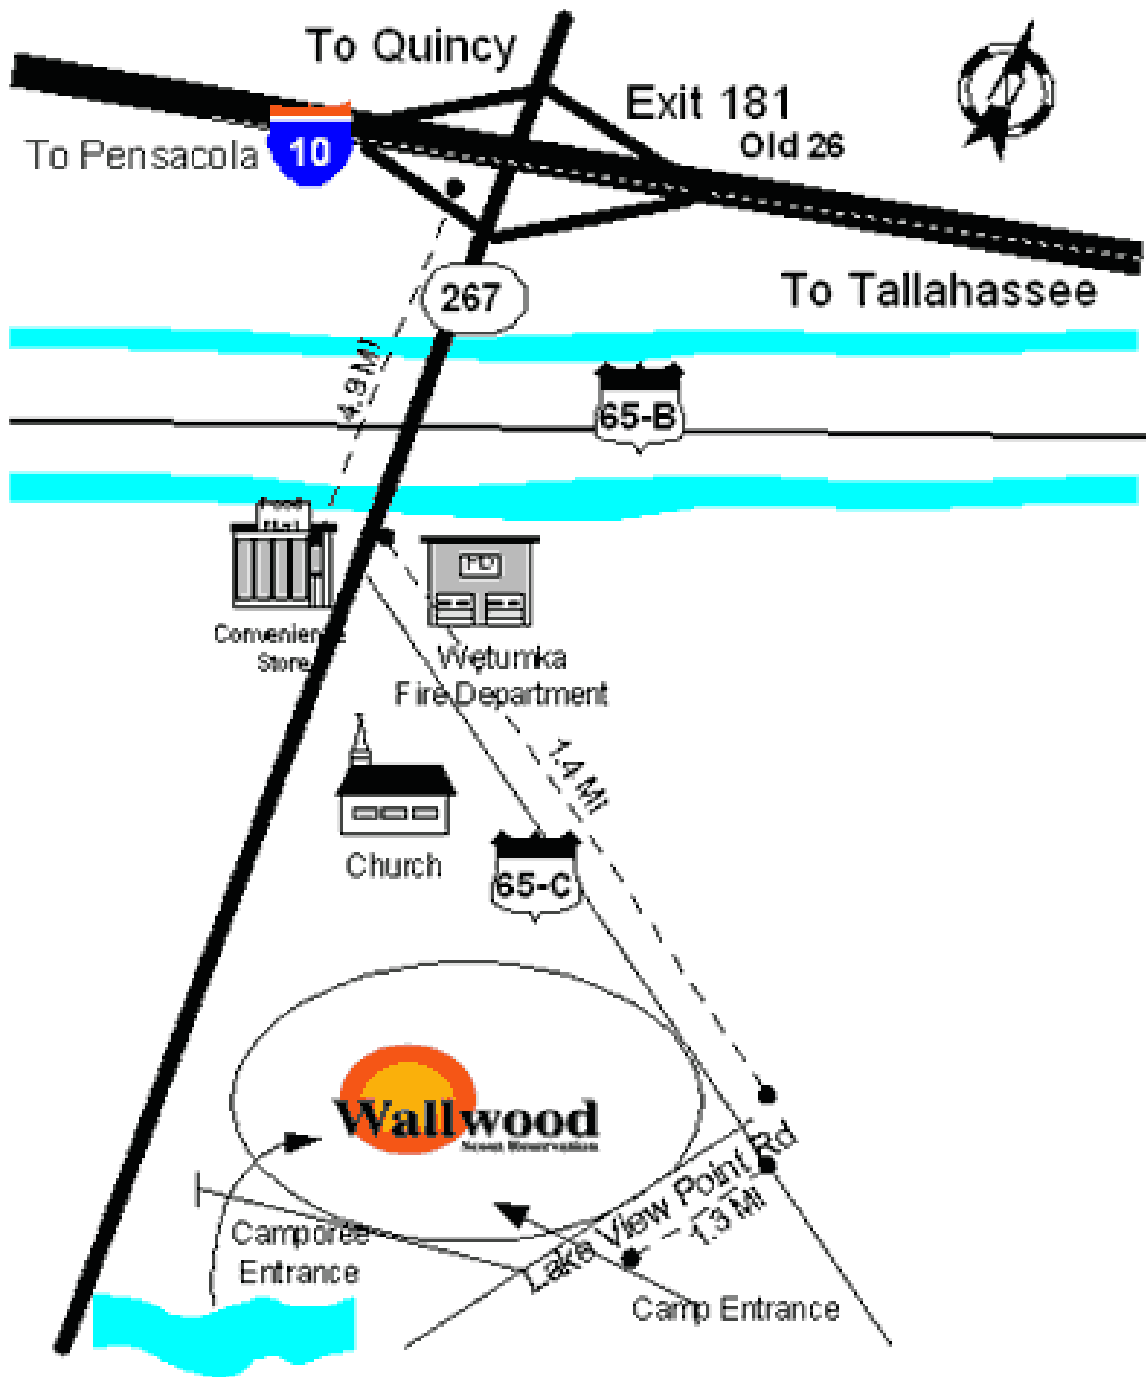

Wallwood operates a 24-hour health lodge for all medical emergencies. Please remember to check in all medications with the Health Officer. It is their responsibility to track and administer all medications. Please DO NOT let your campers keep their own medications, with the exception of inhalers.

Wallwood History

The property was given to the Boy Scouts of America in the late 1950s by Dr. Charles Wall and his wife Margaret of Thomasville, Georgia. In 1962 the Suwannee River Area Council voted to develop the property in to primary camping facility of the council. Wallwood Boy Scout Reservation was then dedicated on July 17, 1966.

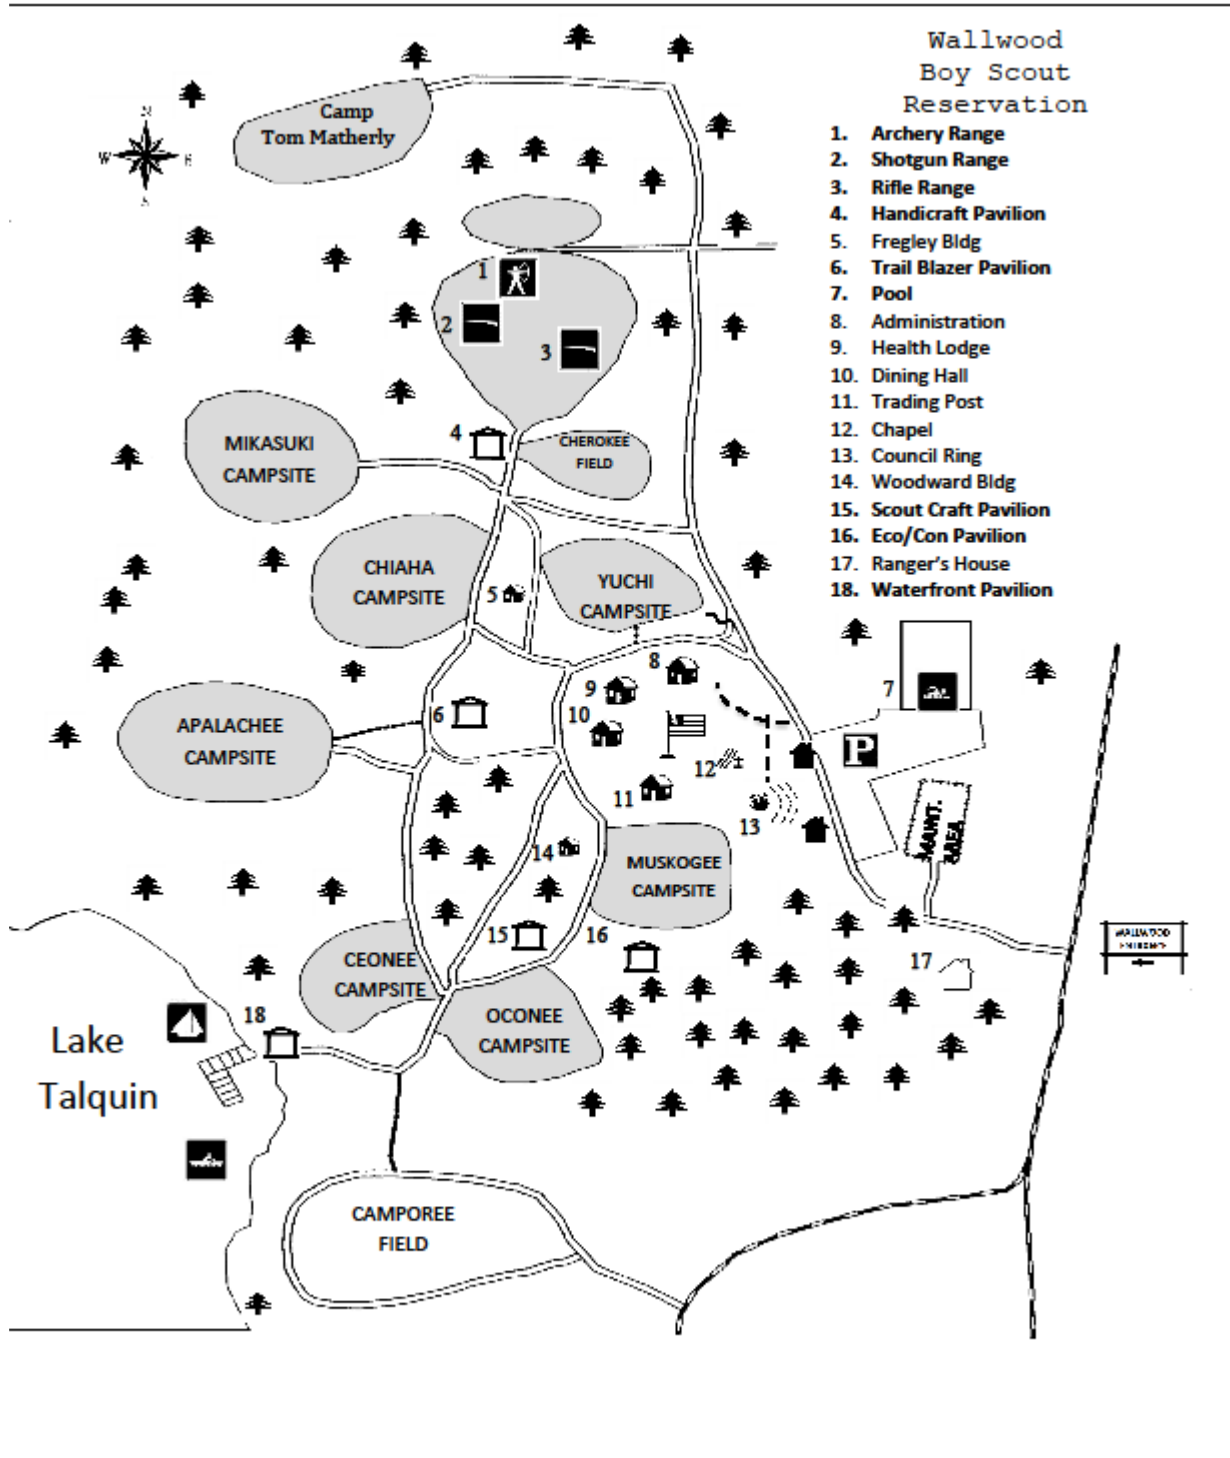

The camp has undergone numerous improvements since then and is continuing to change and improve to meet the needs of today's scouts and leaders.
